LANDLORDHEAVEN
LEGAL DOCUMENTS FOR LANDLORDS

CASE ID	JURISDICTION	GENERATED
golden-notice-only-001	england	30 April 2026

Stage 1: Section 8 Notice & Service Pack

Compliance Checklist

READY TO SERVE

This pack aligns the notice, service, and evidence so your case doesn't fall apart on technical errors.

Most possession cases fail on notice, service, or consistency errors — this pack is designed to prevent those.

PROPERTY	16 Willow Mews York YO24 3HX
TENANT	Ivy Carleton
NOTICE TYPE	Form 3A notice
TENANCY START DATE	1 January 2024
GENERATED	30 April 2026

CRITICAL
Resolve this before relying on the notice or moving on with the case.

RISK
This may not automatically invalidate the route, but it can weaken the file or create delay.

OK
The current pack data records this point, but you still need to retain the underlying evidence.

Decision Engine

OK

Deposit compliance recorded

Deposit protection and prescribed information are recorded with TDS on 15 January 2024.

Action: Retain the scheme certificate and prescribed information record with the case file.

OK

Gas safety evidence recorded

Action: Keep the service date, expiry date, and proceedings date aligned across the notice, N215, and any court papers.

Next move

READY TO SERVE

Serve the notice correctly using the service instructions in this pack.

Use this checklist as a practical decision engine. It does not replace the tenancy file, the service record, or legal advice on the facts of the case.
