What this pack does

- Prepares a Section 8 notice and service record that can be relied on without the case being rejected on avoidable technical errors.
- Keeps the notice, service route, and supporting evidence aligned in one file.
- Reduces the risk of rejection, delay, or inconsistency before the case reaches court.

Next step

Serve the notice correctly using the service instructions in this pack.

Court: Central London County Court

Rent due: 1st day of each month

Arrears at notice date: £3600.00

GROUND 8 WARNING

Ground 8 arrears threshold stays live throughout the case

Ground 8 must usually be satisfied at both the notice stage and the hearing. If payments reduce arrears below the threshold, the mandatory ground may fail and the claim may depend on discretionary grounds.

Action: Update the arrears schedule to the latest practicable date and keep the grounds position under review.

Case Context

The claimant seeks possession of 16 Willow Mews York YO24 3HX relying on Ground 8 (Rent arrears), Ground 10 (Any rent arrears).

The tenancy began on 1 January 2024. The contractual rent is £1,200.00 payable monthly on the 1st day of each rental period.

Ground 8 is relied on as the serious rent arrears ground.

At the date of service of the Form 3A notice on 2 May 2026, the arrears stood at £3,600.00.

That figure is presented as exceeding the statutory Ground 8 threshold of £3,600.00 (3 months).

The rent account and arrears schedule show the unpaid or short-paid periods between 1 January 2026 and 31 March 2026, 3 missed payments.

Ground 10 is relied on because rent lawfully due was unpaid when the notice was served and remains part of the claim history.

The arrears balance relied on for Ground 10 is £3,600.00.

The arrears history, service chronology, and any further tenancy concerns should be read together as part of one possession case, while each statutory ground remains separately pleaded.

Form 3A notice served on 2 May 2026, expiring on 30 May 2026, with proceedings not intended before 30 May 2026.
