2. DEFINITIONS AND INTERPRETATION

"Agreement" means this assured periodic tenancy agreement and the Schedules attached to it.

"Property" means 32 Carlton Grove, Leeds, LS6 1BT together with the contents and common parts described in this Agreement.

"Tenant" means Liam Carter, Maya Singh, Ethan Price, Grace Moore jointly and severally.

"Rent" means the sum of £2400 per month payable in accordance with this Agreement.

"Deposit" means the tenancy deposit of £2400.

"Inventory" means any schedule of condition or inventory supplied at check-in.

"Written Notice" means notice in writing sent by hand, post, or email.

"Term" means the periodic tenancy commencing on 15 June 2026 and continuing until ended in accordance with statute and this Agreement.

Words importing the singular include the plural. References to statute include statutory modification or replacement. Where there is more than one Tenant, each Tenant is liable for the whole of the Tenant covenants.

3. LETTING AND TERM

The Landlord lets the Property to the Tenant for use as a private residence only.

The Tenant is granted exclusive occupation of the Property, subject to the Landlord's rights of access contained in this Agreement and any rights affecting communal areas.

The tenancy begins on **15 June 2026** as a periodic assured tenancy under the law in force in England at that date and is not intended to create a new assured shorthold tenancy.

This tenancy does not have a fixed end date and continues until ended in accordance with statute.

The Landlord may only seek possession where a lawful statutory ground applies, including any relevant rent arrears, anti-social behaviour, sale, landlord occupation, or other statutory ground in force at the relevant time.

The Landlord may only recover possession or terminate the tenancy through the court-led statutory process in force at the relevant time and by obtaining any court order required by law.

The Tenant has the right to remain in the Property unless and until the Landlord establishes a lawful statutory ground for possession and obtains any court order required by law.

The Tenant may end the tenancy by giving written notice in accordance with the statutory requirements in force at the relevant time.

4. RENT

The Tenant shall pay the Rent of **£2400** per month in advance on the **1st** of each month.

Payment shall be made by Bank Transfer to the account specified in Schedule 2.

The first payment is due on or before 15 June 2026.

PREMIUM: RENT ADMINISTRATION

If rent remains unpaid for 14 days after the due date, interest may accrue on the overdue sum at 3% above the Bank of England base rate per annum, so far as lawful.

If the Landlord proposes a new rent, the Landlord will serve notice in accordance with section 13 of the Housing Act 1988 or any replacement statutory procedure in force at the relevant time. Nothing in this Agreement authorises a prohibited fee or charge.

5. DEPOSIT

The Tenant has paid a Deposit of **£2400**.

The Landlord will protect the Deposit in MyDeposits within 30 days of receipt and provide the prescribed information.

The Deposit may be applied only to lawful claims including unpaid rent, damage beyond fair wear and tear, cleaning costs where the Property is not returned to the same standard of cleanliness, missing items, or other losses arising from breach of this Agreement.

Any dispute concerning deductions may be referred to the deposit scheme alternative dispute resolution process.

6. TENANT OBLIGATIONS

Pay the Rent and all other sums due under this Agreement on time.

Keep the Property reasonably clean, heated, ventilated, and in tenant-like condition.

Promptly report any disrepair, damage, infestation, or safety issue to the Landlord or Agent using the reporting method stated in Schedule 6.

Permit access on at least 24 hours' notice for inspection, repair, valuation, compliance checks, or viewings at the end of the tenancy, except in emergency.

Not make structural or decorative alterations without prior written consent.

Return the Property at the end of the tenancy in the same standard of cleanliness and repair as at the start, fair wear and tear excepted, together with all keys and access devices.

PREMIUM: PETS

No pet may be kept at the Property without the Landlord's prior written consent. Consent is not to be unreasonably refused where the request is reasonable and the Property is suitable. The Landlord may impose lawful reasonable conditions in writing, having regard to the type, number, and size of the pet and the suitability of the Property.

The Tenant remains responsible for any pet-related damage, nuisance, fouling, infestation, smell, scratching, staining, or other related loss. The Landlord may require reasonable cleaning, treatment, or remediation where needed to restore the Property to the standard required by this Agreement, but nothing in this clause requires a prohibited payment or mandatory professional cleaning in every case.

The Tenant must not sublet, assign, part with possession, grant room licences, or allow short-term letting platform use without the Landlord's prior written consent.

7. LANDLORD OBLIGATIONS

Permit the Tenant quiet enjoyment of the Property without unlawful interruption.

Keep in repair the structure and exterior and the installations for water, gas, electricity, sanitation, space heating, and hot water, in accordance with section 11 of the Landlord and Tenant Act 1985 and any other applicable duty.

Comply with duties relating to gas safety, electrical safety, smoke alarms, carbon monoxide alarms, and deposit protection.

Provide the Tenant with the documents and information required by law for the tenancy regime applying at the start date, including information about the tenant notice requirements, the section 13 rent increase route or any replacement statutory route in force

at the relevant time, the landlord possession process, the pets position, bills handling, the current How to Rent guide where legally relevant, the EPC, Gas Safety Certificate, EICR where required, and deposit prescribed information.

Carry out Right to Rent checks under the Immigration Act 2014 where required. Nothing in this Agreement makes the Tenant responsible for the Landlord's statutory compliance.

JOINT AND SEVERAL LIABILITY

Where there is more than one Tenant, each Tenant is jointly and severally liable for the whole of the rent and all Tenant obligations. The Landlord may pursue any one or more of them for the full liability.

8. HMO & SHARED FACILITIES

The Property is occupied on a multi-occupancy basis with shared access to Kitchen, rear sitting room, two bathrooms, hallway, and garden.

The Tenant shall use shared facilities reasonably, keep them clean after use, avoid obstruction of hallways or fire escape routes, and respect the rights of other occupiers.

House rules for cleaning, refuse disposal, noise, guests, security, and shared appliances are set out in Schedule 5 and form part of this Agreement.

The Tenant must not allow any person to occupy the Property or any part of it beyond the permitted occupancy arrangements without written consent.

PREMIUM: HMO LICENSING AND SAFETY

HMO licensing status: **Currently licensed**.

HMO licence reference: **HMO-LDS-2026-441** (expiry 31 March 2029).

The Tenant shall not tamper with smoke alarms, carbon monoxide alarms, emergency lighting, fire doors, extinguishers, or any other safety equipment and shall keep all escape routes clear.

9. GUARANTOR AGREEMENT

NOTICE TO GUARANTOR

By signing this Agreement the Guarantor gives a legally binding guarantee and should take independent legal advice before signing.

The Guarantor guarantees the payment of the Rent and the performance of the Tenant obligations and agrees to indemnify the Landlord against losses arising from any breach of them.

The Landlord may pursue the Guarantor directly, without first taking action against the Tenant or any other person liable under this Agreement.

This is a continuing guarantee. It applies to this tenancy and to any lawful continuation, statutory continuation, renewal, replacement, or variation of it unless and until the Landlord expressly releases the Guarantor in writing.

The Guarantor's liability is capped at twelve months' rent together with reasonable enforcement costs, save for liabilities already accrued before any written release.

The Guarantor confirms receipt of sufficient information about the tenancy and is advised to take independent legal advice before signing.

10. GENERAL PROVISIONS

This Agreement contains the contractual terms agreed between the parties, subject to all overriding statutory rights and obligations.

No variation is effective unless recorded in writing and signed by or on behalf of the parties affected.

If any provision is unenforceable, the remaining provisions continue so far as lawful.

This Agreement is governed by the law of England and Wales and the parties submit to the jurisdiction of the courts of England and Wales where applicable.

Notices may be served by hand, post, or email to the addresses stated in this Agreement unless statute requires a different method.
