Stage 2: Section 8 Court & Possession Pack

Court Readiness Status

READY FOR COURT

This pack turns the served notice into a court-ready possession file that stays consistent under scrutiny.

Most possession cases fail on notice, service, or consistency errors — this pack is designed to prevent those.

PROPERTY	16 Willow Mews York YO24 3HX
TENANT	Ivy Carleton
NOTICE TYPE	Form 3A notice
TENANCY START DATE	1 January 2024
GENERATED	30 April 2026

CRITICAL

Resolve this before issuing proceedings or relying on the file in court.

RISK

This may not stop issue automatically, but it can weaken the file or create delay if left unmanaged.

OK

The current pack data records this point, but you still need to retain the underlying evidence for court.

Court readiness decision engine

OK

Deposit compliance recorded

Deposit protection and prescribed information are recorded with TDS on 15 January 2024.

Action: Retain the scheme certificate and prescribed information record with the case file.

OK

Issue decision

READY FOR COURT

Prepare and issue the possession claim using the forms and guidance in this pack once the claim is eligible on or after 28 May 2026.

Use this checklist as a practical decision engine. It does not replace the tenancy file, the service record, or legal advice on the facts of the case.
