

## Interest Calculation (s.69 County Courts Act 1984)

**Principal claimed:** £3516.13

**Interest rate:** 8% per annum

**Interest start date:** 14 September 2025

**Calculation date:** 30 January 2026

**Days of interest:** 138 days

**Daily rate:** £0.77 (8% / 365)

**Accrued interest to date:** £106.26

### Working

---

**Step 1 - Daily rate:**  $(£3516.13 \times 8\%) / 365 = £0.77$  per day

**Step 2 - Interest accrued:**  $£0.77 \times 138 \text{ days} = £106.26$

### Interest continues

---

Interest continues to accrue at £0.77 per day from 30 January 2026 until judgment or earlier payment.

*Note: Update this calculation if you file after the above calculation date. You may claim interest up to and including the date of issue.*
