- Kitchen, bathroom, and laundry areas should be used considerately and left in a reasonable shared condition after use.
- Guest and overnight guest position: Overnight guests only with prior written approval..
- Quiet hours should be set clearly for the shared house.
- Waste and recycling arrangement: Bins to be presented every Tuesday night..

### 3. Safety, Security, and Repairs

- Fire safety interference, refusal to cooperate with reasonable inspections, or repeated shared-house breaches should be escalated in writing and kept on the tenancy file.
