STATUS	READY TO SIGN

This agreement forms the core of the tenancy record and the HMO / shared-house rules appendix should be kept with it as the practical house-management record.

If the tenancy is not set up clearly and consistently, it can affect how issues are handled later, including possession.

2. Key Risks

- Core party, property, payment, and start-date details are recorded clearly.
- Deposit support documents are included so the protection record can stay with the file.
- The shared-house rules appendix is included so communal living expectations stay with the main tenancy file.
- Right to rent checks are recorded for 25 April 2026.

3. What This Pack Does

Supporting documents included: Main tenancy agreement; Pre-tenancy checklist; Keys and handover record; Utilities and meter handover sheet; Pet request / consent addendum; Tenancy variation record; HMO / shared-house rules appendix.

Next step: sign the agreement, confirm house rules with the tenant group, and keep the appendix with the signed file.

- Sets up the shared-house tenancy clearly and keeps communal expectations in one place.
- Helps avoid avoidable disputes over cleaning, guests, waste, safety, and shared-space use.
- Supports later enforcement or possession if the tenancy file has to be relied on.

Execution

This document should be signed and dated by the parties and retained with the tenancy records.
