START DATE	2 May 2026

This agreement is intended for a room let in the landlord's own home where the landlord remains resident. It is not intended to create an assured tenancy.

If the room let is not set up clearly and consistently, it can make later issues around notice, conduct, and hand-back harder to manage.

2. Key Setup Checks

- Record the key return and room hand-back expectation.

3. What This Pack Does

Supporting documents included: Room let / shared home pack agreement; Room let checklist; Keys and handover record; Lodger house rules appendix.

Next step: clear the recorded checks and confirm the room-let expectations before signature.

- Protects the shared-home arrangement with clear room-let, key, and house-rule records.
- Helps avoid avoidable disputes over guests, cleaning, shared-space use, and hand-back.
- Keeps the room-let file complete if conduct, notice, or move-out issues arise later.

Execution

This document should be signed and dated by the parties and retained with the tenancy records.
