2. Key Setup Checks

- Core party, property, payment, and start-date details are recorded clearly.
- Deposit support documents are included so the protection record can stay with the file.
- The supporting records in this pack are ready to be kept with the signed agreement.
- Right to rent checks are recorded for 25 April 2026.

3. What This Pack Does

Supporting documents included: Main tenancy agreement; Pre-tenancy checklist; Keys and handover record; Utilities and meter handover sheet; Pet request / consent addendum; Tenancy variation record.

Next step: sign the agreement, complete handover, and keep the full pack together as the tenancy record.

- Sets up the tenancy clearly and keeps the core file together from the start.
- Helps avoid avoidable disputes over rent, deposit records, utilities, and handover.
- Keeps the agreement and support records aligned so later enforcement or possession work does not have to be rebuilt.

4. What This File Helps Prevent

- Unclear rent or payment terms.
- Missing deposit records.
- Poor handover evidence.
- Disputes over keys or utilities.
- Uncertainty if possession later becomes necessary.
