The judge will ask: "What are the arrears as of today?"

If tenant offers to pay or proposes a payment plan, be ready to respond

Ground 8 is mandatory IF threshold met, but judge may adjourn

### Ground 8 Key Points for the Hearing

- **Threshold:** At least 2 months' rent (or 8 weeks' for weekly tenancies) must be unpaid
- **Both dates matter:** Arrears must meet threshold at notice date AND hearing date
- **Mandatory ground:** If threshold is met, judge MUST grant possession order
- **No discretion:** Judge cannot refuse on grounds of reasonableness or hardship

- **Payment before hearing:** If arrears fall below threshold before hearing, Ground 8 fails

### **Important Warning**

If the tenant pays enough to bring arrears below the 2-month threshold before the hearing, Ground 8 will fail. You should also rely on Ground 10 (discretionary arrears ground) as a backup.
