## How to Serve This Notice

---

Under Welsh law, you can serve a notice by:

**RECOMMENDED METHOD: Personal Service**

- Hand the notice directly to the contract-holder
- Get them to sign a copy confirming receipt
- If they refuse to sign, have a witness present
- Take a photo of the handover

✓ **Why this is best:** Clear proof that the contract-holder received the notice. If they dispute service, you have witness testimony and photographic evidence.

### Alternative Method 1: Leaving at the Dwelling

- Leave the notice at the dwelling in a sealed envelope
- Address it to the contract-holder

- Put it through the letterbox or hand it to an adult at the property
- Take a photo as evidence

### **Alternative Method 2: Postal Service**

- Send by First Class post to the dwelling address
- **RECOMMENDED:** Use Royal Mail Signed For or Special Delivery
- Keep proof of postage (certificate of posting or tracking number)
- Notice is deemed served when it would be delivered in ordinary course of post (usually 2 working days)

 **Note:** If using postal service, add extra days to be safe. The contract-holder can claim non-receipt.

### **Alternative Method 3: Email (Only If Agreed in Contract)**

- Can only use email if the contract specifically allows it

- Keep a copy of the sent email and any read receipts
- Follow up with postal or personal service to be safe

 **Risk:** Most contracts do NOT allow email service. Check your contract carefully before using this method.

## Evidence You Must Keep

---

**CRITICAL:** You will need to prove service when applying to court.
