

Serious antisocial behaviour and violence

Editable landlord questionnaire for fact-gathering before a potential Section 8 possession case in England.

IMMEDIATE SAFETY

If there is an immediate danger, call 999. Do not confront the tenant, change locks, remove belongings or take any self-help eviction step. A court decides whether possession is granted.

HOW TO USE THIS FORM

Complete the white fields, tick the applicable boxes and attach readable copies of the evidence. Give facts, identify the source of information, and do not alter original material. This is a document-preparation questionnaire, not legal advice.
