

Pre-Tenancy Compliance Checklist

Wales

24 Plasturton Avenue, Cardiff, CF11 9HL

FILE-USE NOTE

Use this checklist as the landlord's setup record before move-in. Tick each item when the evidence is complete, note the completion date, and keep the finished checklist with the agreement, handover records, and compliance documents for the tenancy.

It is a practical file tool, not the agreement itself. If a requirement is unusual, disputed, or unclear, verify the point before relying on the file as complete.

Wizard-Recorded Setup Information

These entries repeat information supplied during the wizard. They are not independent proof of compliance. Check each entry against the underlying certificate, registration, licence or other evidence before marking the summary complete.
