

Interest Calculation (s.69 County Courts Act 1984)

Principal claimed: £2890.00

Interest rate: 8% per annum

Interest start date: 2 February 2026

Calculation date: 4 May 2026

Days of interest: 91 days

Daily rate: £0.63 (8% / 365)

Accrued interest to date: £57.33

Working

Step 1 - Daily rate: $(£2890.00 \times 8\%) / 365 = £0.63$ per day

Step 2 - Interest accrued: $£0.63 \times 91 \text{ days} = £57.33$

Interest continues

Interest continues to accrue at £0.63 per day from 4 May 2026 until judgment or earlier payment.

Note: Update this calculation if you file after the above calculation date. You may claim interest up to and including the date of issue.
