

Stage 1: Section 8 Notice & Service Pack

Compliance Checklist

READY TO SERVE - NOTICE FILE ALIGNED

This pack aligns the notice, service, and evidence so your case does not fall apart on technical errors.

Most possession cases fail on notice, service, or consistency errors. Keep the file aligned and under review as the case moves forward.

PROPERTY	16 Willow Mews York YO24 3HX
TENANT	Ivy Carleton
NOTICE TYPE	Form 3A notice
TENANCY START DATE	1 January 2024
GENERATED	4 May 2026

CRITICAL

Resolve this before relying on the notice or moving on with the case.

RISK

Significant risk: This may not automatically invalidate the route, but it can weaken the file or create delay.

OK

The current pack data records this point, but you still need to retain the underlying evidence.

Court-pack validation summary

Deemed service date used: 6 May 2026

Notice expiry date: 20 May 2026

Earliest proceedings date: 20 May 2026

Total arrears: £3600.00

Ground 8 threshold: £3600.00 (AT)

- **passed:** Arrears total aligned at £3600.00.
- **passed:** Minimum notice period is at least 14 days from deemed service.
- **passed:** Ground 8 threshold is exactly met at £3600.00 and should be treated as a risk position.
- **passed:** No cross-document conflicts were detected against the recalculated court-pack values.
