Interest continues to accrue at £0.63 per day until the debt is paid in full.

2. Breakdown of the Debt

Rent Arrears

You occupy the property under an assured shorthold tenancy that commenced on 1 January 2024. The agreed rent is £950.00 monthly, payable in advance.

You have failed to pay rent as it fell due. The arrears have accumulated over multiple rent periods. A detailed schedule showing each period, the amount due, what you paid, and the balance is attached as **Appendix 1**.

In addition to rent arrears, you are liable for the following:

- Broken internal door - £200.00

Other Recoverable Charges

- Locksmith call-out - £80.00

Interest

I am entitled to claim interest on the outstanding rent and costs pursuant to **section 69 of the County Courts Act 1984**. Interest is calculated at 8% per annum from 2 February 2026 and continues to accrue at £0.63 per day until payment.

The interest calculation to 10 May 2026 is £61.11. The full working is attached as **Appendix 2**.
