Flat 8 Resident Complaint Screenshot

SUPPLIED SOURCE SCREENSHOT. The author, date, recipient and original message should be confirmed. Obtain a signed witness statement from the resident (or other person with direct knowledge) before relying on the allegation at hearing.

The supplied screenshot reports a persistent odour said to be from Flat 7, references cat faeces in the communal hallway and describes effects on a family member living in Flat 8. It also requests that action is taken and states that environmental health may be contacted if the issue continues.
