

Formal Appendix Bundle - Index

Claimants: William Mumford and Leanne Mumford | Defendant: Rebecca Mumford

Property: Flat 7 Machin Mews, Standfast Road, Henbury, Bristol, BS10 7HJ

Purpose

This draft bundle is cross-referenced by the N119 continuation sheet. It distinguishes source material from evidence that has been authenticated. The claim is based primarily on Grounds 13 and 14, with Ground 14 relied on as the principal ground.

Important: do not file the blank N215 as proof of service. Before issue, add a completed signed certificate of service and any available contemporaneous proof of service. The Form 3A in Appendix A is recorded as already served on 22 June 2026; do not re-serve it merely because the August material is now available.
