Dear Shelly Anne

Hope you are well.

I've left several messages for you; Glenn and Maria and I have had no response.

The Landlord has terminated his contract with Glenn and Glenn has served you notice.

As you have a contract with Glenn you need to ensure that he has given you the correct notice.

Please note that the contract you have with Glenn is invalid and highly irregular.

Further to this, Glenn has not paid the last month's rent to the landlord and he is currently in arrears.

Whilst the landlord is sympathetic to your needs, he has correctly terminated his contract with Goa properties.

The landlord is expecting to take possession of his property in May.

Regards

Anesh
