Scheme Details

Scheme Name: DPS

Contact Information:

See the deposit scheme website or membership confirmation for the current registered address.

Telephone: See scheme website

Email: See scheme website

Website: <https://www.depositprotection.com/>

Scheme Type: Insurance-based

How it works: The landlord holds the deposit but it is protected by insurance. At the end of the tenancy, the landlord must return the deposit or use the scheme's dispute resolution service if there is a disagreement.

Deposit Reference: DPS-EXAMPLE-2026-0001

Date Protected: 2 May 2026

7. CIRCUMSTANCES WHEN DEPOSIT MAY BE RETAINED

The landlord or agent may make deductions from the deposit for:

1. Unpaid Rent

Any rent or other money owed under the tenancy agreement at the end of the tenancy.

2. Damage

Damage to the property, furnishings, or contents beyond normal wear and tear. This includes:

- Broken items
- Burns, cuts, or stains beyond normal wear
- Damage caused by pets
- Holes in walls
- Broken fixtures or fittings

Normal wear and tear is not covered - this means reasonable deterioration from ordinary living.

3. Cleaning

Professional cleaning costs if the property is returned in an unreasonably unclean condition compared to the check-in inventory.

4. Missing Items

Replacement costs for:

- Lost keys
- Missing items from the inventory
- Removed fixtures or fittings

5. Other Breaches

Costs arising from other breaches of the tenancy agreement.

Evidence Required

The landlord must provide evidence of any claimed deductions:

- Check-in and check-out inventories
- Photographs
- Invoices for repairs or cleaning
- Receipts
- Expert reports if necessary

8. APPLYING FOR RELEASE OF DEPOSIT

At End of Tenancy

Both parties should:

Step 1: Inspect the property together at check-out

Step 2: Compare the condition to the check-in inventory

Step 3: Discuss and agree any deductions

Step 4: Complete the deposit return form

Step 5: Submit the agreed allocation to the scheme

The landlord will return your share within **10 working days** of agreement.

9. DISPUTE RESOLUTION

If You Cannot Agree

If you and the landlord cannot agree on deposit deductions:

Step 1: Try to negotiate

- Communicate in writing
- Exchange evidence (photos, receipts)
- Consider compromise

Step 2: Use Alternative Dispute Resolution (ADR)

Both parties can ask the scheme to resolve the dispute using its free, impartial ADR service.

ADR Process

1. **Either party raises a dispute** with the scheme
2. **Both parties submit evidence** (photos, inventory, receipts, statements)
3. **An independent adjudicator reviews** all evidence
4. **A decision is made** (usually within 28 days)
5. **The scheme releases the deposit** according to the decision
6. **The decision is binding** on both parties

ADR Service Details

Service: DPS ADR Service

Contact: See scheme website

Email: See scheme website

Website: <https://www.depositprotection.com/>

Cost: Free to both parties

Time limit: You must raise a dispute within the deadline set by your deposit scheme after the tenancy ends.

Court Action

Alternatively, either party can take the matter to court, but this will involve:

- Court fees (approx £100 to £300)

- Possible legal costs
- Longer time to resolve
- Risk of a costs order

ADR is usually quicker, cheaper, and easier.

10. YOUR RESPONSIBILITIES

During the Tenancy

To help make sure your deposit is returned in full:

- Pay rent on time
- Report maintenance issues promptly
- Keep the property clean and tidy
- Avoid damage beyond fair wear and tear
- Comply with the tenancy terms
- Maintain gardens (if applicable)
- Do not make unauthorised alterations

End of Tenancy

To maximise the return of your deposit:

- Give the correct notice period
- Clean the property to the check-in standard
- Repair any damage you caused
- Remove all belongings
- Return all keys and devices
- Settle final utility bills
- Attend check-out if possible
- Provide a forwarding address

11. LANDLORD'S RESPONSIBILITIES

The landlord must:

- Protect the deposit within 30 days
- Provide prescribed information within 30 days
- Comply with the scheme's rules
- Provide evidence for any deductions
- Return the deposit within 10 days if there are no valid deductions
- Use ADR if a dispute arises
- Act reasonably and in good faith

12. FAIR WEAR AND TEAR

Definition: Deterioration from ordinary use over time, considering:

- Length of tenancy
- Number of occupants
- Original condition
- Quality of items

Examples of Fair Wear:

- Faded curtains from sunlight
- Worn carpet in high-traffic areas
- Minor scuffs on walls
- Slight marks on worktops
- Loosening of joints from normal use

Not Fair Wear (Damage):

- Large holes in walls
- Carpet burns or major stains
- Broken furniture
- Cracked tiles
- Smashed fittings
- Major uncleanliness
- Pet damage

Disputes over fair wear and tear are common, so keep photos from check-in.

13. BETTERMENT

Landlords cannot charge for "betterment" - leaving the property in better condition than it was at the start.

Example: If the carpet was 5 years old at check-in and worn when you leave, the landlord can only charge for the appropriate proportion of the replacement cost, not the cost of a brand-new carpet.

14. YOUR RIGHTS

You have the right to:

- Have your deposit protected in an approved scheme
- Receive this prescribed information within 30 days

The landlord:

- May face a court order to pay a financial penalty
